Eric, Jennifer, and Rene –

Attached please find the final YVD Residential Well Sampling Report, revised per the comments provided by EPA in their February 14, 2014 letter to YVD. As requested by EPA, instead of providing an entire paper copy of the revised report, ARCADIS is providing electronic replacement pages of those that are modified based on the comments. ARCADIS will provide three (3) sets of replacement paper pages via FedEx for your paper copies.

We have also included a formal response to comment letter documenting our acceptance of the requested changes.

If you have any questions, please call me.
